

Cure JM Family Conference-New York

Join over 50 other Cure JM families and some of the world's leading JM doctors for a spirited day of sharing and connecting with families, physicians, and researchers. Families will learn about the latest juvenile myositis research and treatments while, while connecting with others.

Brought to you by the Cure JM Clinical Care Network

Saturday
April 6, 2024
8:30am - 4:00pm

Pace University
Westchester Campus
861 Bedford Road
Pleasantville, NY 10570

For more Information contact:
lauren.alvord@curejm.org

Bring the Whole Family!

Supervised activities for children and teens, including siblings, will take place in separate rooms. We are planning art activities, games, a magician, and more to entertain kids.

Teens can enjoy a fun social time with other teens and young adults.

Presentations & Sessions With:

Dr. Dawn Wahezi

Dr. Karen Onel

Dr. Kahn

Dr. Andrew Heaton

Dr. Boneparth

Come hear from esteemed doctors who will speak on the latest clinical treatments, provide research updates, and share best practices. You will walk away with new information and practical tips you can use.

Dr. Tracy Van Ness

Nikki Hahn

Debbie Daum

Our Cure JM Board Members will be available to answer questions, share experiences, give insight, and discuss events happening in the future.
